

## PEDIATRIC DENTISTS & ORTHODONTISTS

The Department of Dental Medicine at Lutheran Medical Center is seeking applicants for Full and Part Time positions in Pediatric Dentistry and Orthodontics. Responsibilities include clinical and didactic education at the post doctoral level, mentoring of residents, administration and some direct patient care. The Medical Center is looking to recruit faculty who bring added dimensions of community service, research capabilities and excellent communication skills to this large residency training program. LMC also sponsors post doctoral programs in GPR, AEGD, and Endodontics with over 75 residents in all programs.

With the impending addition of an Orthodontic training program these are unique pathways for professional and educational growth. This is an outstanding opportunity for Board Certified or Board Eligible Pediatric Dentists and Orthodontists that are interested in lifelong learning and the desire to be part of a dynamic and innovative educational and technologically advanced (distance education) program with sites across the United States.

Applicants must have a DDS/DMD degree, be eligible for licensure in New York State and be a graduate of an ADA approved Pediatric or Orthodontic residency training program.

Lutheran Medical Center offers a competitive benefits package and salary commensurate with qualifications and experience. Lutheran Medical Center is an equal opportunity employer.

Please send C.V. in confidence to Dr. Silvia Perez-Spiess, Pediatric Dentistry Program Director, Department of Dental Medicine, Lutheran Medical Center, 150 55th Street, Brooklyn, NY 11220
