

DENTISTS WANTED

Rochester Primary Care Network is looking for motivated dentists to join our brand new location in Utica, NY. Full and part-time General Dentist positions are available to work in a state of the art, community-based, federally qualified health center.

Candidates will develop treatment plans and provide dental education to the patients and the community at-large. Dental public health background, cross-cultural experience and bilingual abilities are a plus.

Utica, NY is located in the center of the state making it easily accessible to NYC (250 miles), Buffalo (200 miles) and Albany (90 miles). It is located at the foothills of the Adirondack Mountains.

RPCN offers a comprehensive benefit package including medical and dental coverage, a 403b retirement plan and dental education tuition reimbursement. Sign-on bonuses are available for qualified candidates. This site qualifies for the NHSC.
