

Dentists

Hometown Health Centers, a federally qualified community health center, is seeking applications for full time dentists to provide dental care for children and adults in a primary health care setting. Qualifications/Requirements include DDS or DMD from an accredited School of Dentistry; licensure to practice in NYS; one to two years experience required (in a community health center setting preferred).

Competitive salary and benefits package, and possible student loan repayment options on the federal level.

If you desire to be a part of an evolving, growing, and supportive team, please send resume to:
